INFORMATION DISCLOSURE STATEMENT

Honorable Sir:

Pursuant to Section 1.97 of Title 37 of the Code of Federal Regulations, and in conjunction with a Request for Continued Examination, record is hereby made of information the United States Patent and Trademark Office may wish to consider during examination of the above-entitled application which is being filed concurrently herewith under 35 U.S.C. 371.

For the convenience of the Examiner, attached are copies of English translations of actions from the KPO and Taiwan Patent office. WO2002/28953A1 and US 5895607

have been previously submitted to the USPTO. WO2003/046084A1 is newly cited by the Taiwanese patent office. The English translation of the TW action serves as a statement of relevance for this newly cited reference.

No representation is made or intended that a prior art search was conducted, or that no better art than that listed is available.

A copy of the newly cited foreign reference, along with IDS Form SB/08A, is attached. It is requested that they it be fully considered and made of record in this case.

Respectfully submitted,

A handwritten signature in black ink, appearing to read "Mark A. Hixon".
